- Travelling in any form of transportation whether as driver or passenger, and
- Drowning, lethal gas, food poisoning and poisonous stings.

2. What are the Syariah concepts applicable?

This product applies the Syariah concepts of *Tabarru'* and *Wakalah*.

Tabarru' is an agreement by a participant to relinquish as donation, a sum of contribution that he or she agrees to pay into a Takaful fund. Participants give sixty-five per cent (65%) of their contributions as *Tabarru'* with the purpose of providing mutual indemnity to Takaful participants, where the *Tabarru'* acts as mutual assistance and a joint guarantee in the event any fellow participants suffer from a defined loss.

Wakalah refers to a contract in which a party as principal (Muwakkil) authorizes another party as his agent (Wakil) to perform a particular task, in matters that maybe delegated, either voluntary or with imposition of a fee. The participant will make contribution to the Takaful fund as *Tabarru'*. Subsequently, all the participants in a group will appoint or authorize the IIGT as their agent (Wakil) to manage the Takaful fund for the purpose of executing Takaful activities such as underwriting, risk management and claim management. In this *Wakalah* arrangement, IIGT will charge a fee of thirty -five per cent (35%) from the contribution that has been determined and agreed upon in the proposal form. *Wakalah* fee will not be returned to the Participant upon cancellation or surrender.

Otherwise You may receive no benefit from your certificate.

Takaful Contribution Warranty

You have to pay the full takaful contribution to Us or our wakil within sixty (60) days from the inception date of your certificate. Your certificate will be automatically cancelled if we or our wakil do not receive the contribution at the end of sixty (60) days of the takaful contribution warranty period.

Excess

This is an amount You have to pay towards the cost of your claim. Excess is stated on the schedule and in the certificate.

Distribution of Surplus

The surplus will be determined at the end of financial period and the surplus (if any) from the Takaful Fund will be allocated to Participants' Fund and IIGT with the proportion of seventy per cent (70%) to the Participants' Fund and thirty per cent (30%) to IIGT. The surplus in the Participants' Fund will then be declared and distributed to the eligible participants. Based on *Ju'alah* concept, IIGT is entitled for the surplus distribution from the Takaful fund as a fee for the good performance of IIGT in managing the Takaful fund.

If You have incurred claims or received benefit, your portion of surplus will not be distributed back to You and shall be credited back as *Tabarru'* to the Takaful Fund.

If You surrender your Takaful certificate before financial year end, You are entitled for the surplus. The surplus will be calculated based on your contribution and participation period in the Takaful Fund.
